This publication was produced by the Division of Agricultural Development of the Wisconsin Department of Agriculture, Trade and Consumer Protection. The Something Special *from* Wisconsin™ Directory lists those companies registered in the department's Something Special *from* Wisconsin™ program.

We hope you find this information useful in purchasing Wisconsin products during the holidays and throughout the year. The company listings do not constitute an endorsement of individual businesses by the department. Every effort has been made to maintain accuracy and completeness. If any inaccuracies are found, please notify us.

Boudain sausage is one of the most classic Cajun dishes. And, you might say is the Cajun's answer to a bratwurst. Double S traditional version of boudain sausage is a mouth-watering blend of cooked pork, rice, Cajun spices, seasonings, and other fresh ingredients all stuffed into a natural pork sausage casing for tailgate grilling. Or, formed into pre-breaded bit size balls for your fryer or oven as appetizers for parties and events. Boudain also makes great stuffing and even party dip.

There really was a Peter Koops, a young Dutch adventurer who left his shipping business in the Netherlands for a new life in America. He began with a hand-crank mustard mill and a horse drawn cart, selling mustard by the ladle to loyal customers. Over 127 years later our packaging and delivery systems have changed, but our carefully made stone-ground recipes are the same. Koops' mustards are stone ground from #1 grade mustard seed and our in-house quality control assures you that every batch meets the highest standards.
